Redemption Instructions:

1. Create an **ADOBE DIGITAL ID** by visiting www.adobe.com and clicking sign in.

2. Install **ADOBE DIGITAL EDITIONS** by visiting www.adobe.com/products/digital-editions.html. Once it is installed, you must authorize it with your Adobe ID prior to opening your eBook. Open Adobe Digital Editions, click the help button in the top toolbar and select Authorize Computer from the dropdown menu to authorize the reader.

3. **Install a Reader**: ASA eBooks can be installed on up to five (5) devices. Each device brand has unique characteristics and installation instructions. To read ASA eBooks on more than one device, the reader applications on those devices must be authorized with your Adobe ID. Additionally, each may require the download of a free reader. Use the key below to know which reader works best for your device:

   - PC or Apple Desktop/Laptop - no reader required, use **Adobe Digital Editions**.
   - Apple mobile devices - Install **ASA Reader** from the App Store.
   - Android tablet or phone devices - Install **Bluefire Reader** from the Google Play App Store.
   - Kindle Fire - Install **Bluefire Reader** directly from Bluefire at http://www.bluefirereader.com/blog/?p=158
   - Surface Pro RT - **Install DL Reader** from the Windows Store.

4. **Download your eBook.** From your device, go to www.asa2fly.com and click 'redeem a voucher' at the top of the page. Enter your MyASA account ID and password (or create one) and input the 25 digit code above.

If this is your first ASA eBook, or for more detailed instructions, please visit www.asa2fly.com/use-ebooks.
You will find the process quick and simple by following ASA's complete instructions for each device.
